

## **Campus Emergency Notifications & Information**

**BE IN THE KNOW...we can't alert you if we can't reach you!**

**\*SPRINGDALE ONLY\***

What is it? **Everbridge Mass Notification** enables users in Springdale to receive notifications to individuals or groups via text message or voice message. This comprehensive notification system keeps everyone informed before, during and after all events whether emergency or non-emergency.

Why should I sign up? Everbridge will tell you what to do and how to stay informed in emergency situations occurring in and around the Washington County campus location(s) in Springdale.

How do I sign up? Visit <http://www.springdalear.gov/425/Sign-Up-for-Alert-Notifications> from your smart phone or computer and click the “here” link to sign up for alert notifications and download this free app.

Helpful hints:

- Control how many alerts you get by choosing as many or as few alerts as you wish.
- Sign up for multiple locations (example, your home location, work location and NWACC's Washington County Center.
- In addition to your cell phone, you can select to receive notifications on your home phone (voice call) or by e-mail.
- Update your selections at any time if you would like to receive fewer or more notifications.
